Dear Sir/Madam

CALL FOR RESEARCH PROPOSALS

Lake Victoria Research Initiative (VicRes) is a regional collaborative research programme of the Inter-University Council for East Africa (IUCEA) funded by the Government of Sweden through the Swedish International Development Agency (Sida). VicRes' call for research proposals in 2010 has been finalized and copies of the call are hereby enclosed.

We would be most grateful if you could assist IUCEA and VicRes to publicize this call as widely as possible in order for researchers in your institution to respond appropriately. Kindly display the poster of the call on notice boards that can be easily seen and accessed by your staff.

We thank you in advance for your kind help and look forward to receiving proposals from your staff.

Yours sincerely,

Prof. Joseph Obua
REGIONAL COORDINATOR
