

**INSTITUTE OF TRADITIONAL MEDICINE
MUHIMBILI UNIVERSITY OF HEALTH ALLIED SCIENCES**

Short Course on Traditional Medicine Development Level II

Background: Tanzania has experienced tremendous increase in use of herbal products that has created various opportunities for individuals and companies to invest in the trading of traditional medicines. Considering this, the question about safety, quality and regulations regarding medicinal plants and finished herbal products has been a major concern. It is from this perspective that the Institute of Traditional Medicine (ITM), is organizing this short course on Traditional Medicine Development Level II so as to address the gap in knowledge and skills required by the stakeholders. Application forms are available at the Institute and can also be downloaded from University website at ww.muhas.ac.tz or ITM webpage; <http://itm.muhas.ac.tz/>

Venue: Muhimbili University of Health and Allied Sciences
