1. INTRODUCTION
   (i) The Muhimbili University of Health and Allied Sciences (MUHAS) is a successor of the Muhimbili University College of Health and Allied Sciences (MUCHS) which was a constituent College of the University of Dar es Salaam till December, 2006.
   (ii) MUHAS has been established by its own Charter (Muhimbili University of Health and Allied Sciences Charter and its Rules, 2007) signed by His Excellency the President of the United Republic of Tanzania on the 28th March, 2007.

2. VISION OF THE UNIVERSITY.
   To become a centre of excellence for training health professionals, quality research and public service, located in a spacious area with a state of the art University hospital, conducive learning and working environment and sustainable resource generation.

3. MISSION OF THE UNIVERSITY.
   To seek for quality health for the Tanzanian population, through education, training, research and health services for attainment of equitable socio-economic development.

4. OBJECTIVES OF THE UNIVERSITY.
   Advancement of knowledge, diffusion and extension of technology and learning, provision of higher education and research and so far as consistent with those objectives, the nurturing of the Intellectual as aesthetic, social and moral growth of the students at the University.

5. VALUES.
   In order to realize the vision and fulfill its mission, MUHAS shall be guided by the following values:
   (i) Social responsibility, accountability and leadership in responding to issues and expectations of the society.
   (ii) Public accountability through transparent decision-making, open review responsible and efficient use of resources.
   (iii) Institutional autonomy through self-governing structures and greater independence in action while being responsive to societal needs.
   (iv) Professional and ethical standards of the highest order, practiced through openness, honesty, tolerance, and respect for the individual.
   (v) Equity and social justice with regard to gender, religion, ethnicity and other social characteristics.
   (vi) Academic freedom in critical thinking and enquiry as well as the open exchange of ideas and knowledge.
(vii) Academic integrity and professional excellence in teaching, research and service provision.
(viii) Nationalism and internationalism in scholarly activities of national and global concerns.
(ix) Productivity, innovation and entrepreneurship in all activities of the University underpinned by a dedication to quality, efficiency and effectiveness.
(x) Human Resource of the highest quality capable of enhancing the realization of the vision and mission of the University.
(xi) The right to enjoy the intellectual, social, cultural and recreational opportunities, for students and staff.

6. **MEANING OF SCHEME OF SERVICE:**
The schemes of Services are policy guidelines which clearly defines the following;

(i) Entry qualification for each category of Staff
(ii) Career path or progression through which those members of Staff have to follow or go through during their services
(iii) The training requirement for each category of the job
(iv) Equity in terms of the necessary requirements for both appointments and promotion
(v) Standardization for the posts in terms of appointment/promotion, etc.
(vi) General duties to be performed at each post in the hierarchy

7. **OBJECTIVES OF THE SCHEME OF SERVICE:**

(i) The primary objective of these schemes of service is to enable every employee understand clearly his/her career prospects and the path he/she will be required to follow to reach the ultimate position in his/her respective cadre.
(ii) To expand the schemes in order to ensure that the members of staff in certain cadres do not reach the bar at an early stage forcing them to stagnate at one post for too long thereby demoralizing and demotivating them.
(iii) To adequately remunerate members of Academic staff in order to motivate them.
(iv) To put clear the necessary qualifications set out in the various schemes of services for the post at all levels for eligibility for appointment and promotion.
(v) To increase work efficiency and effectiveness thereby avoiding wastage and increase output in teaching, research and services.
(vi) To motivate members of staff to understand the need to undergo further training and the need for the management to determine training needs and sponsorships.

(vii) To bring increased terminal and pension benefits.

8. QUALIFICATIONS
The qualifications set out in the various schemes of service for the posts of all levels are the minimum qualifications which will normally be required to consider a candidate eligible for appointment/promotion. The mere acquisition of these qualifications, however, will not automatically lead to appointment or promotion. Appointment/promotion will depend on:-

(i) The existence of a vacancy in the higher grades;
(ii) Good performance appraisal conducted annually through OPRAS and the decision by the Appointing Authority. It should be understood therefore, that the fulfillment of the basic requirements cannot lead to automatic appointment/promotion. What is important is that a member of staff understands fully his/her tasks and responsibilities and is able to do the job at the level of performance expected of him/her by the University.
(iii) Existence of Budget for the posts in the higher ranks.

9. COVERAGE
The schemes of service have been designed to cover all cadres of Academic staff including executive positions and academic duty Posts.

10. CONTROL AND DISCIPLINE
All staff will be administered in accordance with the provisions of these schemes of service, MUHAS staff Regulations, Government Standing Orders, Public Service Regulations and Government Circulars.

11. GENDER AND NUMBER
In these scheme of service unless otherwise provided, words importing singular include plural and vice versa, and words importing the masculine gender shall include feminine but words importing natural persons shall not include body corporate.

12. ENTRY POINTS, PROMOTION AND DUTIES

(i) The scheme of service does point out that recruitment and promotion is based on clearly described qualifications and merits in any position. The duties contained in the schemes are generally tasks expected to be performed by the staff of the respective ranks.
(ii) In determining an employee’s salary, some factors will be considered such as educational and professional qualifications experience, demand of the job and performance. The entry requirements for a post provided the minimum
qualifications and experience that are required from a candidate to fill the vacant post.

(iii) A salary scale entry point for a candidate with minimum requirements will be the lowest scale in the salary range of his cadre. However considering the field experience of a candidate, the Appointing Authority may decide to offer a salary of a higher notch during the 1st appointment.

13. STARTING AND ENDING SALARY SCALES
