NOTICE TO ALL STUDENTS FOR RESTRICTED VISITS TO MUHAS FOR CONTROL OF COVID-19 PANDEMIC

The management of Muhimbili University of Health and Allied Sciences (MUHAS) has noted with concern that during this period when studies are suspended because of COVID-19 pandemic, some students have been coming to MUHAS seeking for information related to studies. This is against the earlier directives given that students should stay at home until when officially informed otherwise by the relevant authority.

All students are therefore informed that information and updates can be accessed from the MUHAS Website. If necessary, you are encouraged to make a telephone call or send an e-mail to a specific office rather than visiting MUHAS premises.
