This is to inform all MUHAS students that they are required to register for the academic year 2018/2019. Students who will not register will no longer be bonafide students of this University as per University Prospectus section 1.4 (vii) which gives the deadline for registration as follows:

*“The deadline for registration of first year students will be four weeks, from the first day of the orientation week, while for continuing students it will be the Friday of the second week after the beginning of the semester. Failure to register in time the student will cease to be a bonafide student”.*

Based on the above, students who will not register for the specified time will NOT receive their Loans and funds will be returned to HESLB as per regulations. ONLY registered students will be paid their HESLB allowances.
