ZOOM & MOODLE-STUDENT USER GUIDE

STEPS TO ATTEND ZOOM-LIVE-CLASS IN MOODLE PLATFORM

Step 1: Login to Moodle E-learning platform at <https://soma.muhas.ac.tz/login/index.php>

Step 2: Navigate through the “Course categories” or “My courses” list to your corresponding course

Step 3: Open the corresponding course and click the respective Zoom live session

The screenshot shows a course forum interface. On the left is a navigation sidebar with a blue header 'IT 100.01' and several menu items: 'Participants', 'Badges', 'Competencies', 'Grades', 'General', 'Introduction to Computers and File management', and 'Introduction to Internet, www, Email and eLMS'. The main content area is titled 'New forum' and features a post for 'Introduction to Computers and File management'. Below the title is a description: 'This topic introduces basic concepts, parts and functions of computers as well as basics for managing files.' Underneath are two sub-topics: 'Introduction to Computers' and 'File Management'. The 'Zoom Demo Session' link is highlighted with a red box. To the right of the main content is a sidebar with a search bar, an 'Advanced search' link, and sections for 'Latest announcements' and 'Upcoming events'.

Zoom Session

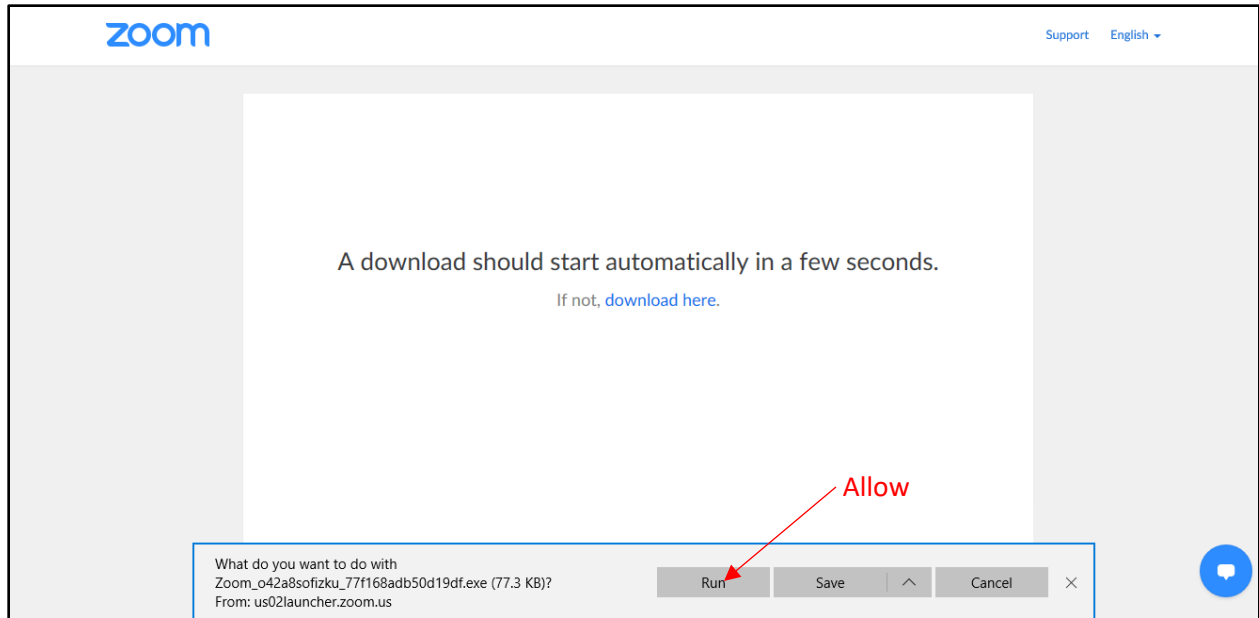

Step 4: Click on “JOIN MEETING” button

The screenshot shows the details for the 'Zoom Demo Session'. The left sidebar is partially visible, with 'Introduction to Computers and File management' selected. The main content area has a title 'Zoom Demo Session' and a 'JOIN MEETING' button highlighted with a red box. Below the button are two buttons: 'Add to calendar' and 'Download iCal'. A table below provides meeting details:

Add to calendar	Download iCal
Start Time	Tuesday, 9 June 2020, 1:23 PM
Duration (minutes)	1 hour
Password Protected	No
Join meeting before host	No
Start video when host joins	Yes

Join

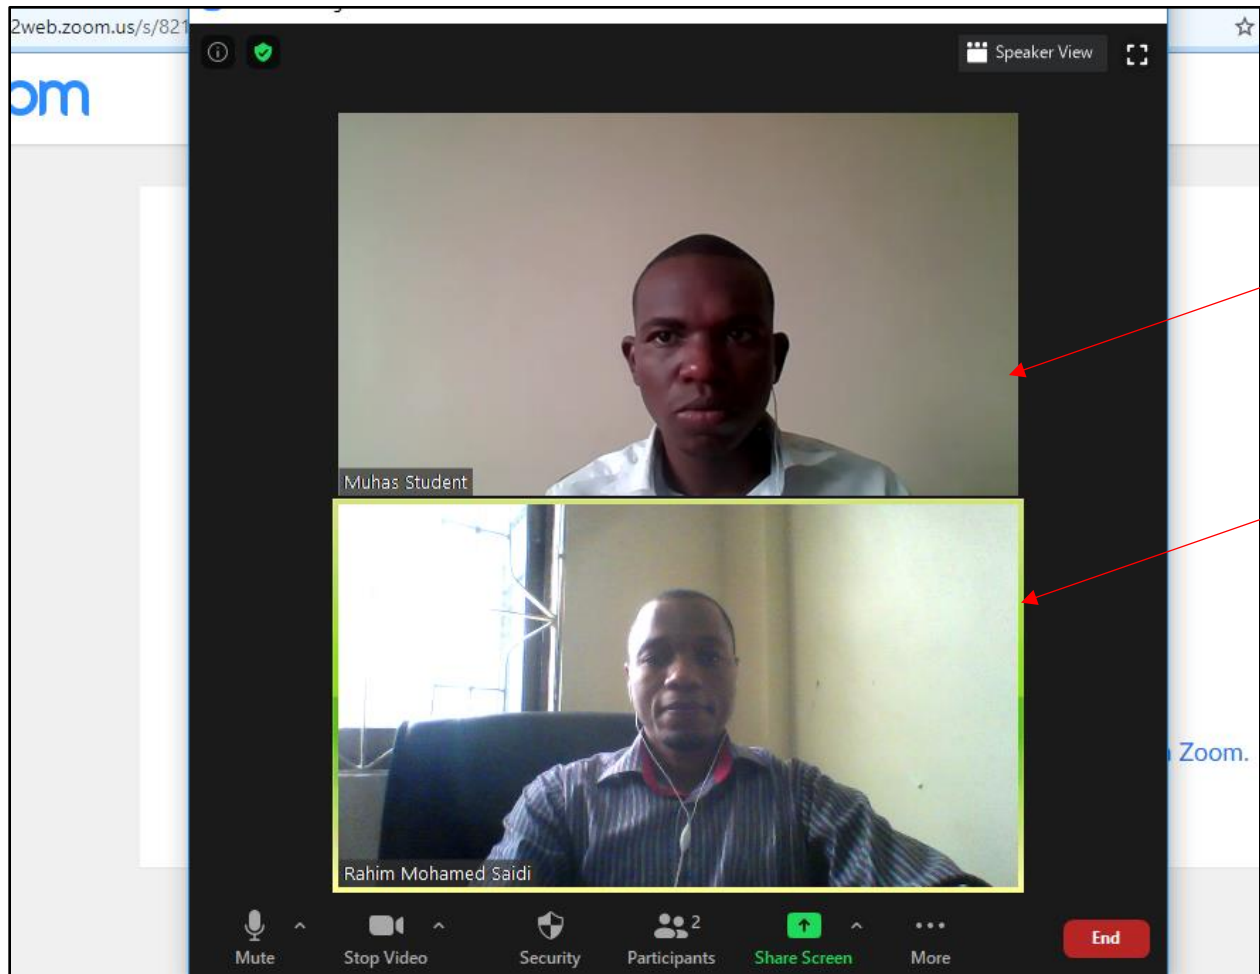

Step 4: If you have no Zoom installed yet in your device, this will redirect you to Zoom installation page then will prompt you to install the set up

NOTE:

The View above might be different according to kind of Web browser you are using, but make sure that you allow downloading and installation of the Zoom installation setup in your device.

After successfully set up installation, you will be directed to Live class session
