

## MUHIMBILI UNIVERSITY OF HEALTH AND ALLIED SCIENCES

### JOB VACANCY

The Global HOPE-MUHAS Pediatric Hematology and Oncology Program is a joint program between the **Muhimbili University of Health and Allied Sciences**, Department of Paediatrics and Child Health, and **Global HOPE**, a Texas Children's Hospital Initiative. This program aims at building capacity in the management of children with cancer and blood disorders in Tanzania through training, service delivery and research. As part of implementation of its activities the Global HOPE-MUHAS PHO Program is seeking to hire a self-motivated Paediatric Haematologist and Oncologist to provide training and support the staff to work with the program. It is therefore looking for enthusiastic and energetic individuals to apply for the following vacant position.

**Job Title:** Pediatric Hematologist Oncologist Specialist -1 Post

**Reporting To:** Program Director

**Work Station:** Dar es salaam, Muhimbili University of Health and Allied Sciences (MUHAS) and Muhimbili National Hospital

#### Required qualifications

- Medical Degree e.g. MB ChB, MD
- Completion of post-graduate (residency) training in Pediatrics
- Completion of sub-specialty training in Pediatric Hematology and Oncology
- Possession of an unexpired, active practitioner's medical license from local licensing authority where practicing

#### Duties and responsibilities:

- Provide evidence-based medical care to children with cancer and blood diseases
- Organize and manage day to day clinical activities
- Participate in educational activities in PHO
- Participate in the conduct of research as per standard operating procedures (SOPs) and IRB-approved protocols
- Participate in PHO quality improvement activities and initiatives

## **Experience**

At least two years' experience working in a Paediatric Haematology and Oncology program/hospital

## **How to Apply**

If you are interested and have the required qualifications please submit your Academic Certificates, application letter describing why you are the right candidate for this position, curriculum vitae detailing your experience and current place of employment to the following address;-

Program Director, Global HOPE-MUHAS Pediatric Hematology Oncology Program  
Department of Pediatrics and Child Health
