

**NORPART PROJECT**  
ESTABLISHMENT OF JOINT  
RESEARCH-BASED EDUCATION  
IN DENTISTRY IN NORWAY AND EAST AFRICA

Digital course in  
**GLOBAL ORAL HEALTH**

for master and PhD candidates  
30. August – 15. October, 2021

This is a digital course arranged by University of Bergen, Norway, in collaboration with the collaborating universities Makerere University, Uganda, Muhimbili University of Health and Allied Sciences, Tanzania, School of Medicine, Addis Ababa University, Ethiopia, University of Khartoum, Sudan, and Omdourman University of Science and Technology, Sudan.

**The course consists of four modules**

- **Public health/oral health promotion (30.08-03.09)**
- **Oral pathology (13.09-17.09)**
- **Research methods / Epidemiology (27.09-01.10)**
- **Clinical dentistry (11.10-15.10)**

Each module will last five days (Monday-Friday), with one week between each module. Teaching will be digital as videolectures, and in addition there will be literature reading, group discussions of clinical cases, and exercises.

To pass the course, the candidate must participate in the activities of the four modules. In addition, the candidate must pass the multiple-choice test after each module and the final written digital home exam covering topics from all 4 modules.

The course will give 5 ECTS.

The contact person in your university will be responsible to select students to attend the course.

Deadline for registration for the course: 15<sup>th</sup> August
