

**UNITED REPUBLIC OF TANZANIA**

MINISTRY OF EDUCATION, SCIENCE AND TECHNOLOGY  
MUHIMBILI UNIVERSITY OF HEALTH AND ALLIED SCIENCES

**OFFICE OF THE DEPUTY VICE CHANCELLOR -  
ACADEMIC, RESEARCH AND CONSULTANCY**

**INTERNAL ADVERTISEMENT**

**SCHOLARSHIP OPPORTUNITY FOR MASTERS AND PHD TRAINING**

**HIGHER EDUCATION FOR ECONOMIC TRANSFORMATION**

**(HEET PROJECT)**

A call is made for qualified and suitable Muhimbili University of Health and Allied Sciences (MUHAS) Academic staff to apply for the above-mentioned scholarship opportunities as part of MUHAS faculty capacity development. The proposed training is supported by the Higher Education for Economic Transformation (HEET) project.

Applicants are required to seek and secure admissions or training positions from reputable institutions locally and internationally. Scholarships will be awarded to those with admissions. Eligible female candidates are highly encouraged to apply.

Prospective candidates are expected to pursue Masters and PhD from programs that will benefit MUHAS long term strategic goals of expanding training, research and service provision, in line with the Country's vision of utilizing higher education to attain socio-economic transformation.

Please submit hard copies of application letter, curriculum vitae, 2 passport size photos, copies of your certificates and transcripts and admission letter, not later than **1<sup>st</sup> October 2021** to:

Deputy Vice Chancellor – Academic, Research and Consultancy,  
Multipurpose Laboratory Building, First floor, Room No. 25,  
Muhimbili Campus.

For further enquiries on this opportunity, please contact the HEET Project Coordinator: Prof. Hendry Sawe (Mobile number: 0754885658, E-mail: [hsawe@muhas.ac.tz](mailto:hsawe@muhas.ac.tz)).

Prof. Appolinary A. R. Kamuhabwa  
**Deputy Vice Chancellor – Academic, Research and Consultancy**
